

INFORMATION FOR IMMIGRANTS ON THE INTEGRATION PLAN

When coming to make the integration plan, please take your **passport** and all your **school reports** and **references** with you.

The integration plan is made jointly with an employment consultant/a social worker. You will soon get an invitation by mail, informing you of the date and time of the appointment. E.g. the following issues may come up for discussion:

Personal data

- address, identity number and nationality
- date of moving to Finland
- size of the family and number of children

Situation of life

- health
- hobbies
- your own plans for integration in Finland

Work experience and studies

- what kind of work did you do before moving to Finland
- what kind of studies have you pursued
- knowledge of the Finnish language

Job seeking

- what kind of work would you like to do in Finland
- do you need further training in order to find a job
